## TRANSFORMATIONSG

# Bible Reading 一起读圣经

## ACTION STEPS 实际做法

From a Bible reading group of 10 people and post your reading progress daily. Post one verse and post your prayer in response to the verse.

**Example : Gen 1:1 - 10**

**Gen 1 : 1** In the beginning, God created the heaven and earth.

**God, I thank you for your perfect and marvelous creation.**

You can use an instant messaging app such as WhatsApp, WeChat, etc.

- Don't post a verse that is too long.
- Don't comment on others's posts.
- Don't take too long to layout your posting.
- Please follow the schedule even if you are unable to finish reading 10 chapters for the day.

找10个人组成一个读经群组，每天读3/7/10章，并分享每日读经进度。选一节经文，并用一句祷告来回应。

例如：创世记 1 - 10章

创世记 1: 1 起初，神创造天地。

神啊！我感谢你奇妙，完美的创造！

你可以使用WhatsApp，WeChat等即时通信应用程序。

- 不要贴太长的经文。
- 不要置评别人的分享。
- 不要花太多时间设计贴文。
- 即使当天未能读完所规定的章数，你还是可以按日程表继续读下去。

# What is Chronological Bible Reading?

All of God's word is inspired (2 Tim. 3:16), but the order of books in the Bible is not. The order of the books in the Bible is man-made. There is no divinely inspired order of Bible books. In fact, the order of Bible books differs between the Bible of the Hebrew, the Catholic, the Protestant, and the Eastern Orthodox. If one were to use a standard Bible and start reading in Genesis and read book-by-book in order to Revelation, he would be reading the Bible in canonical order.

The Bible not being in chronological order can sometimes make studying the Bible more difficult than is necessary. The standard order of books in most Bibles today is the canonical order: Genesis to Malachi and Matthew to Revelation. The canonical order of books does not follow a chronological order all the way through the Bible. Rather, it follows the order of books found in the Greek Septuagint and the Latin Vulgate translated by Jerome in the 4th century A.D. The "*canonical order*" groups books together according to their type of literature: law, history, poetry, and prophecy in the Old Testament; gospel, history, and epistle in the New Testament. The "*chronological order*" groups books or portions of books together according to their historical content (not necessarily when they were written but what time they were written about).

## Benefits of Chronological Bible Reading

1. **We understand the story better.** It gives us a better sense of the overall flow of Bible history from beginning to end. Taking time to work through the Bible in the order the events happened is both wise and helpful in that connects all those stories and helps us avoid gaps in our understanding of God's plan for mankind.
2. **It allows the reader to put together the historical events with the doctrinal lessons attached to them.** For example, in the Old

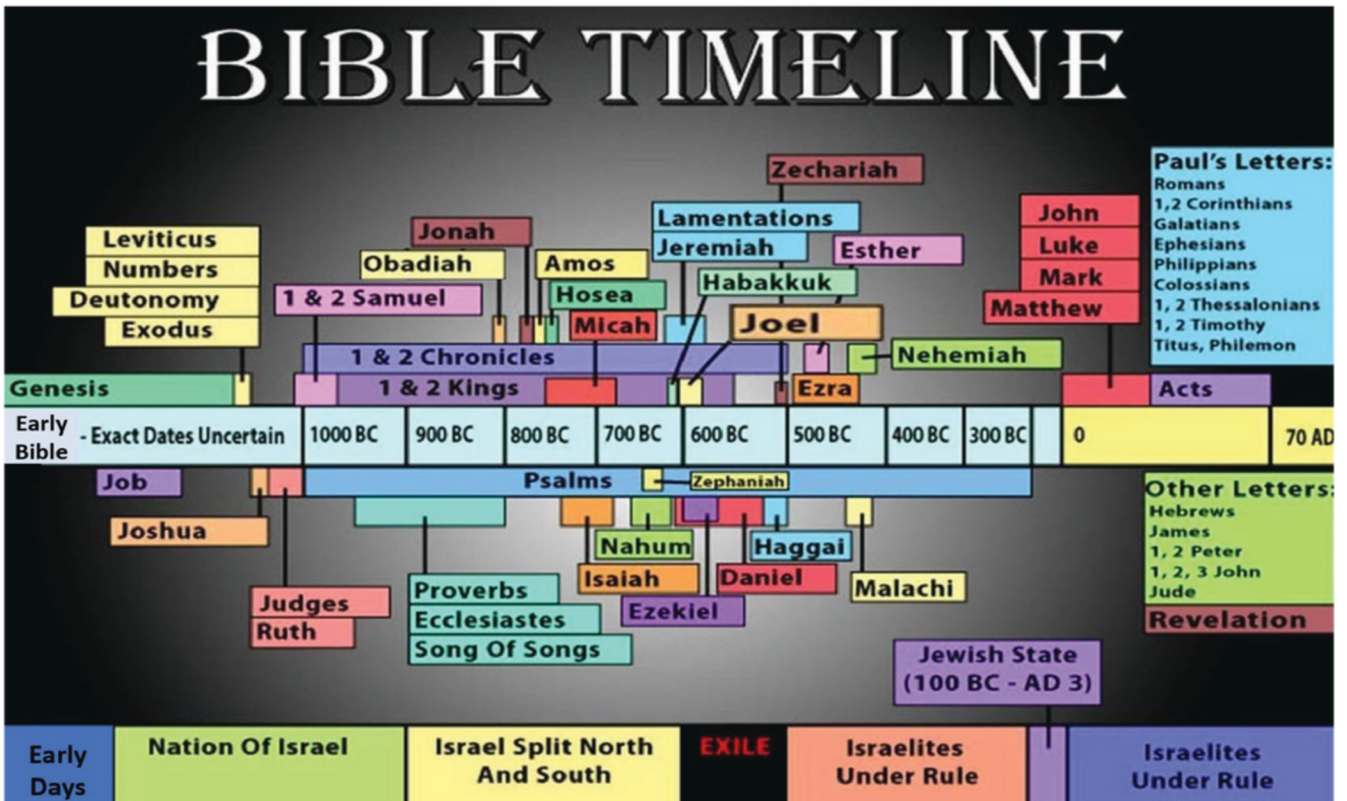

Testament, one can read about the tumultuous events of the life of David in 1 Samuel, followed by the God honouring feelings of his life in the book of Psalms.

3. **God's character is revealed progressively throughout the story of the Bible.** Just as we do not fully know someone upon meeting them for the first time, nor do we fully understand the Lord when we only read bits and pieces of His story. Studying or reading the Bible chronologically will help bring clarity to His character and provide a fuller comprehension of who God is.
4. **It provides an engaging structure for prayer altar Bible reading.** If you're overwhelmed by choosing a reading plan for your prayer altar, a chronological plan may be a good fit. You will read through the whole Bible, but you'll be moving through different books, sometimes reading in more than one book in a day giving a refreshing variety.

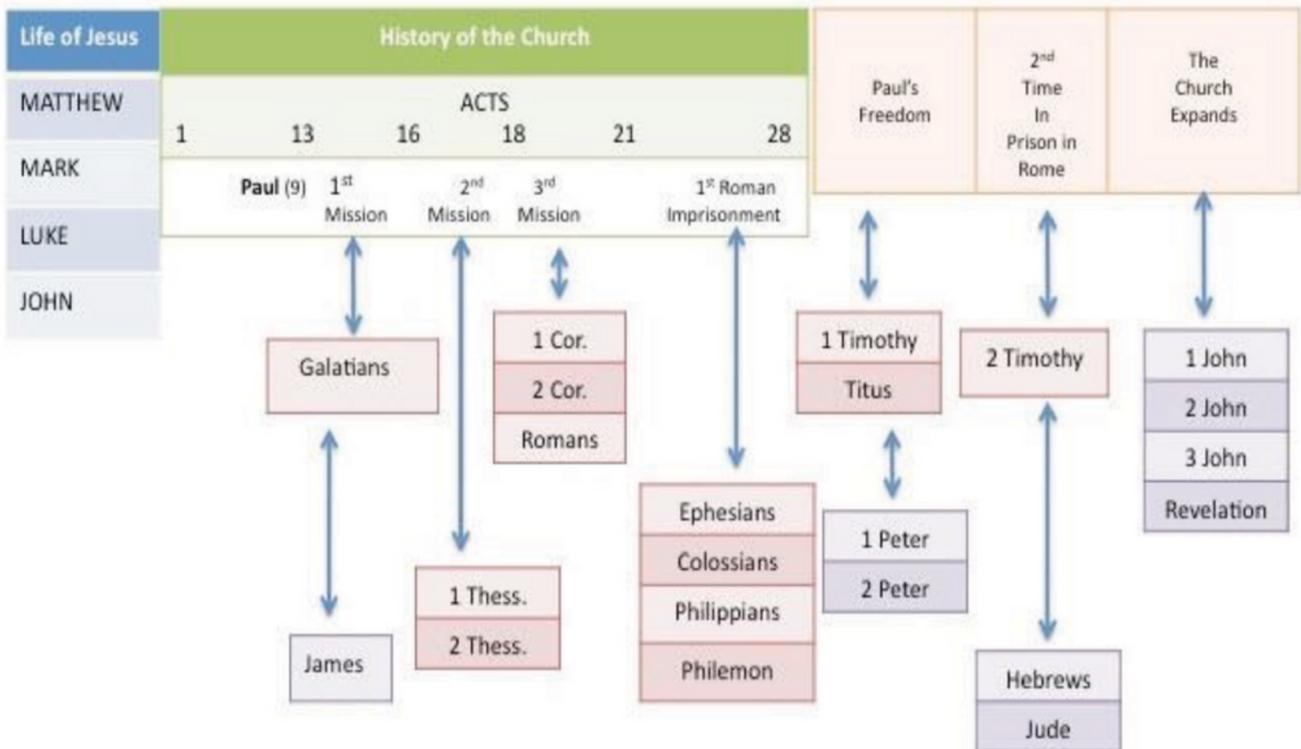

The Chronological reading plan we are using is from the *Blue Letter Bible*. They say, “*These readings are compiled according to recent historical research, taking into account the order in which the recorded events actually occurred.*” However, there are some books that are very hard to place chronologically so the best educated guesses are made. The following page shows how the books can fit chronologically (there may be a few differences from other plans). These charts give a good visual understanding of this method of Bible reading.

The chronological method does have a problem in that it often splits and divides up the inspired books of the Bible and thus loses the intended inspired flow of thought in that book. That is why this method should not be continually used in exclusion of the Canonical one.
